Robbie -
 I'm really had
 fun with you the past
 2 years in glee & choir! You
 have a great voice & a
 great personality! You're really
 sweet. Good luck next year -
 have a great summer & and
 keep on with your guitar! I'll
 miss you!

Roberta -
 French has
 been fun this
 year - I hope I'll
 know you better
 next year and
 have fun in
 French - you're
 so lucky!

Robbie -

It's been nice knowing
 you and having French
 in the same class with
 you. Velia Escobar

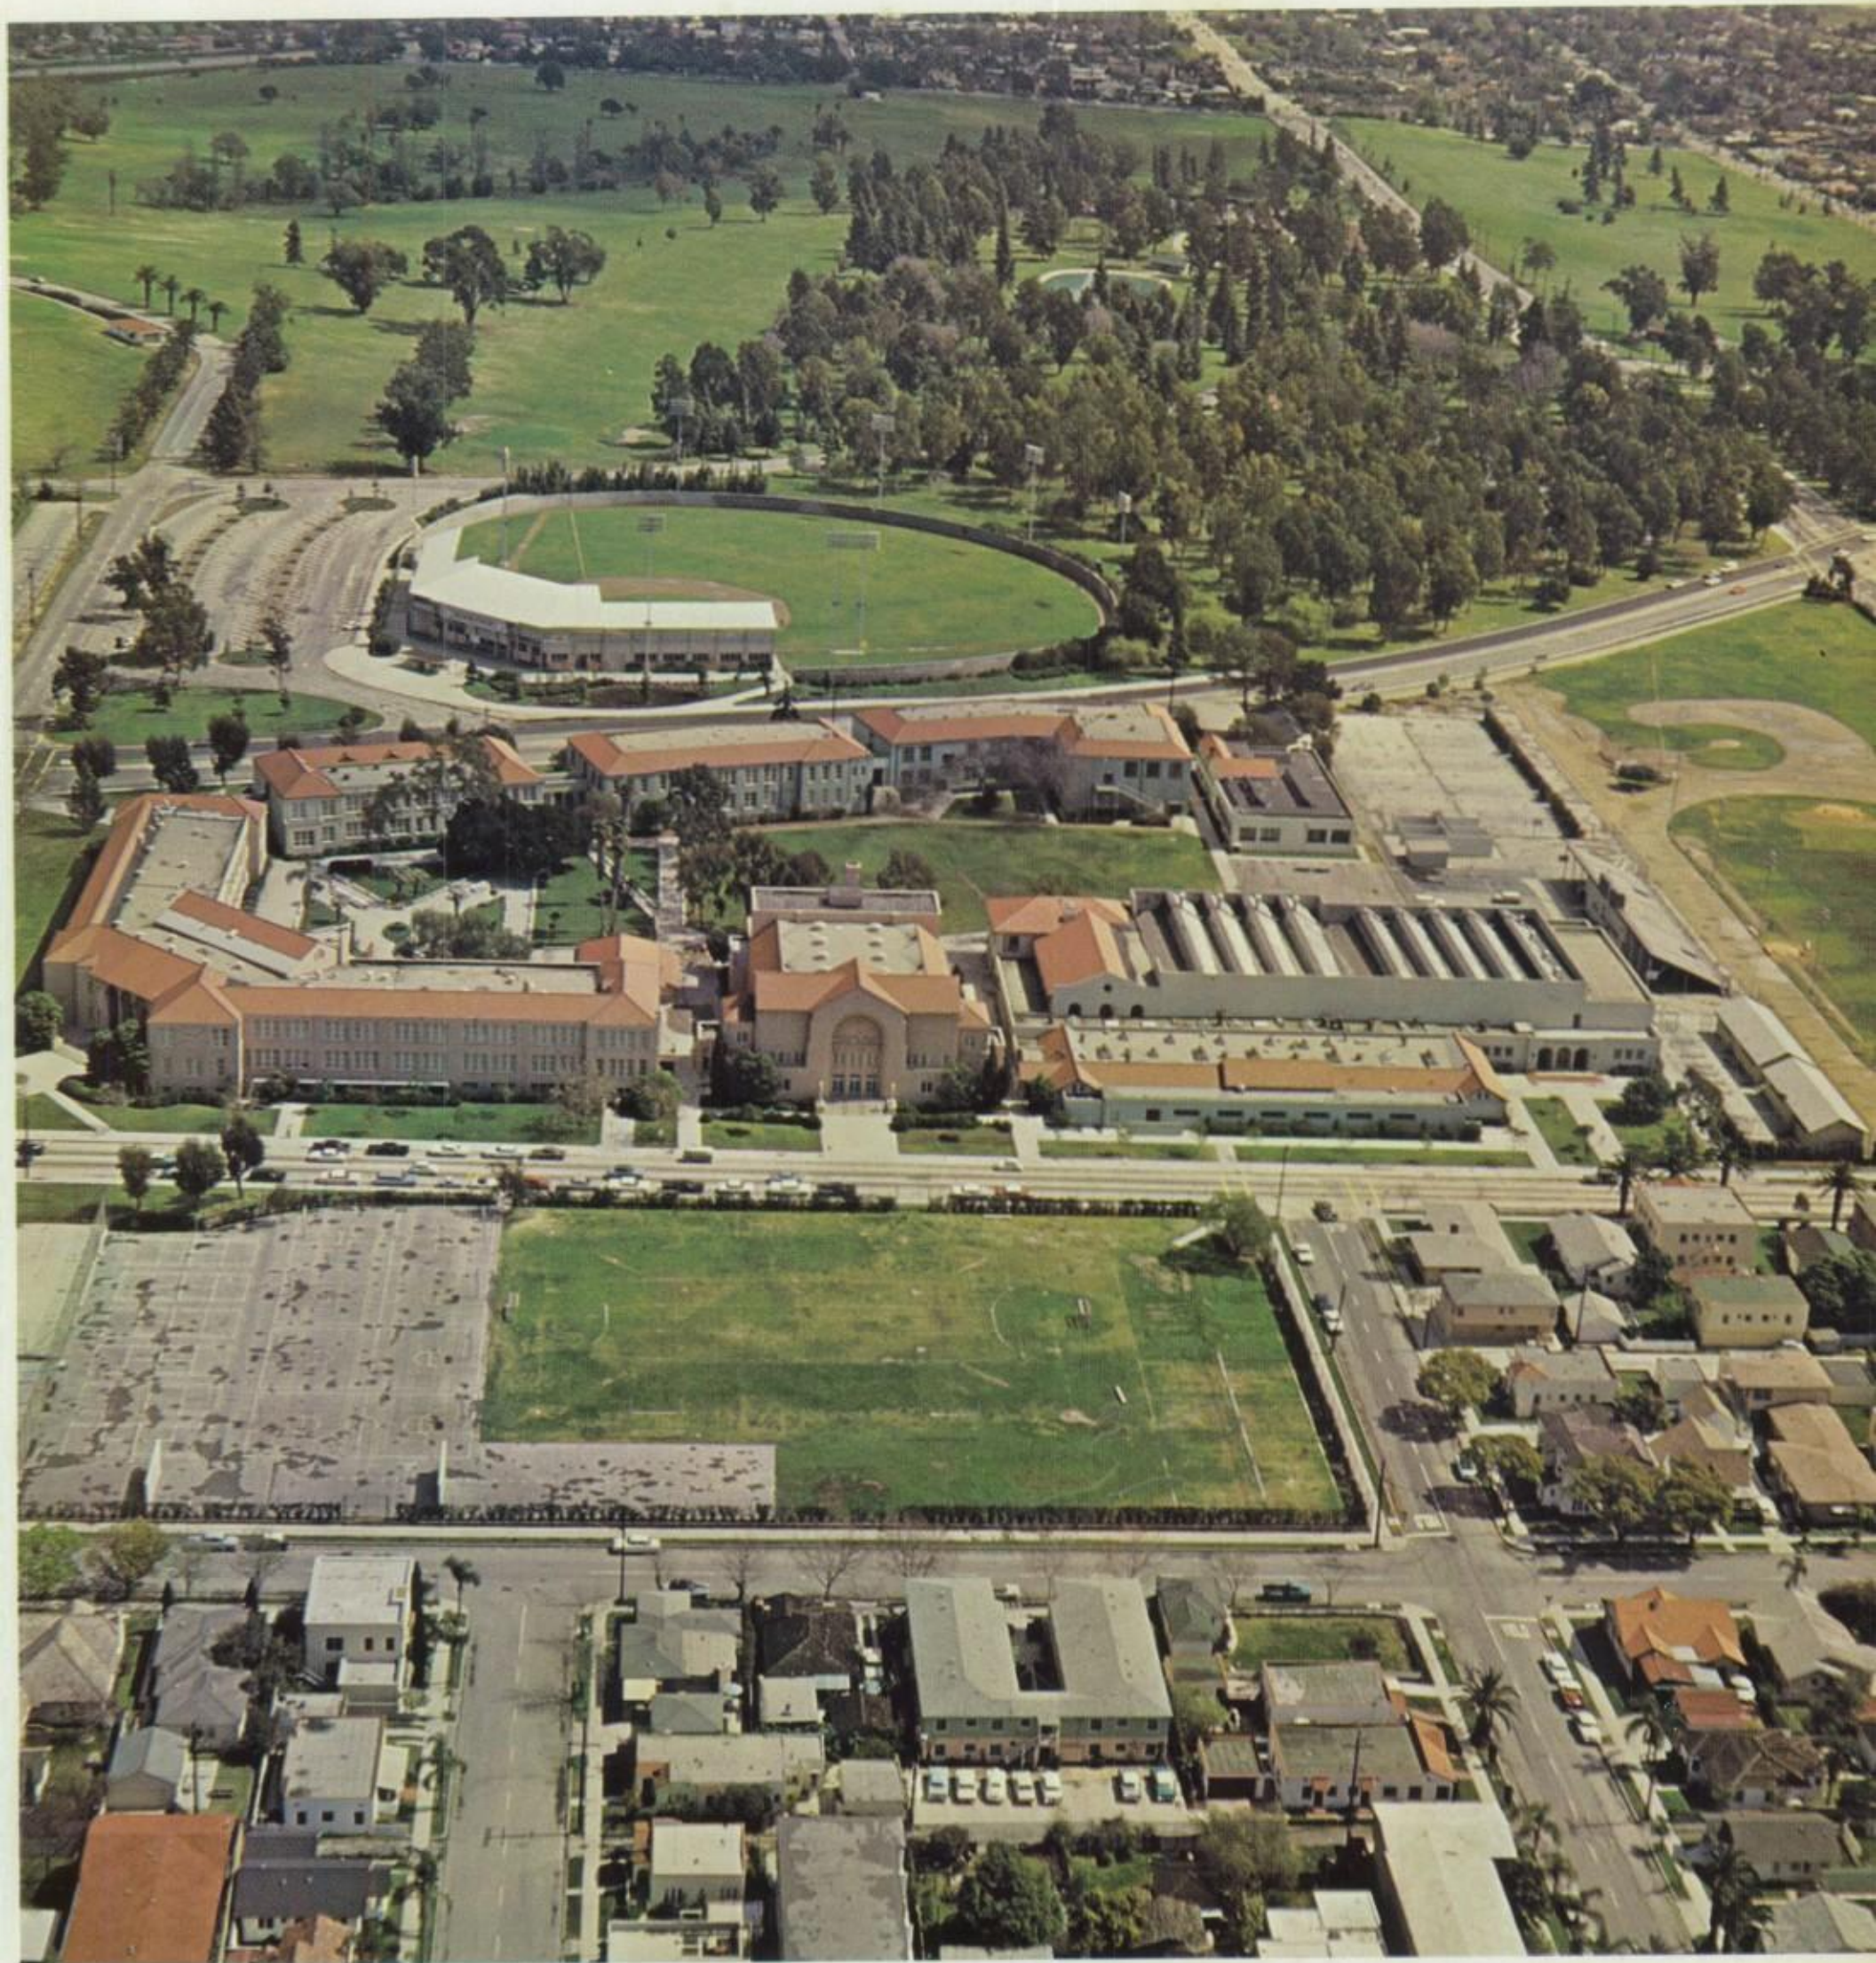

Robbie It's been
 a great year!
 I'll know
 you this year in
 tennis. Love &
 this summer and
 then you're
 still here.

Robbie I'll miss
 you so much!
 I'll be thinking
 of you all the
 time. Love,
 Belinda Berry

Robbie -

My charming friend with
 whom I am inseparably confused
 as long as the school classifies
 people alphabetically. Anyway,
 perhaps someday the teachers will
 organize a class from the back, forward
 and I will learn to recognize you
 by your face, instead of your
 hairdo. Todd

Robbie,
 It's been fun
 knowing you - here
 in Caesar's class and
 I hope I see you
 next year! Good luck!
 Linda H.

Robbie, It's been nice knowing
 you this year and having English
 and social with you. Have fun this
 summer and good luck next year.
 John Swain

Robbie,
 It has been
 great!! Your pres-
 ence has been greatly
 appreciated and your
 assistance in the lab
 was very helpful. I've
 known you for many
 years but this year
 has been the most enjoy-
 able for me. Some chance
 let it be at a grand
 time in France and
 maybe a Wilson in
 September
 Love Jeff

Robbie,
 you're a really nice,
 sweat, kind person. Keep
 up with speech and you'll
 really go far.

Robbie,
 I never really got to know you until we sat together in shorthand last summer. I'm so glad we had more classes together this year. History and English have been entertaining at times and the teachers we've had in common (Lewis, Bihette) have added more to make this year really a blast! I think these three statements about Mr. Newland go for you also. Always Friendly, Warm Personality, Sincere Dedication. Really, I had fun & enjoy yourself in Europe this summer. It'll be the experience of a lifetime and you're just at the right age, if you know what I mean (and if you don't, you soon will). Although I won't be here to find out how things went in the fall, I'll be thinking of you. Best wishes for everything!!!
 Love ya,
 Martha (Coe)

Mr. Walter M. Newland —
 a man of strong character
 noted for his interest and concern for the individual
 and for his appreciation of excellence,
 whether it be in scholarship or activity.

During his principalship at Wilson, our
 enrollment has nearly doubled. Yet the
 striving for quality has remained constant.

We refer —
 to the record of scholarship
 to the renown of our athletic teams and the support they receive
 to the happy, friendly attitude of our student body
 to the mutual respect shared by students and faculty

These values we continue to admire and cherish
 in this complex and competitive world.

For his time and energy devoted unselfishly
 to the continued enrichment of all facets of
 Woodrow Wilson High School —

For his friendship, inspiration, foresight,
 and leadership —

We, the Student Body, dedicate this
 1965 CAMPANILE to our "Papa Bear."

The achievements of the students of Woodrow Wilson High School are well known. They are, in fact, a matter of record throughout the United States. We have furnished leaders in all areas of human endeavor: in government, in the arts, in the sciences, in education, and in athletics. Yet, this is only one side of the coin of student life at Wilson High School, that of academic accomplishment.

Today we hear voices raised in ever increasing numbers, asking for the well-rounded man. We feel that our co-curricular program goes far towards starting us in this direction. Our belief is that an integral and important part of our stay at Wilson consists of activities such as our clubs, our assemblies, our sports, our publications, our performing groups, our social events, and our opportunity to express ourselves creatively.

This is the other face of the coin which is equally important in the development of a strong cohesive body which produces this kind of leadership. This side is our theme of the CAMPANILE.

 well did I
 had a ball this
 year teasing you. We
 all enjoyed going through
 all your belongings like cats & dogs.
 I know we fight like cats & dogs.
 (You're driving with you, (yuck!) and having
 enjoyed driving with you, (yuck!) and having
 free water at your house, I have a ball in
 Europe (you dog) but you'll remember these
 I also love your witty jokes at
 lunch!

Robbie -
 I have enjoyed having
 lunch with you this year
 and I hope we can have more
 classes together next year. I hope
 you have a great time in France
 this summer. Good luck
 next year.

Dear Robbin,
You seem to really love English, but I hate the subjects so we don't have that in common. But I have known you for 5 years, and ~~even though~~ each of those years I have somehow managed to stumble through English, because you have made the classes more enjoyable. I hope that next year me will have the same English class, and I will be the same again year. See you next year.

Dear Robbie-
 You're a darling girl,

 I'll see you next year and
 we can become better friends.
 Meanwhile, have fun during
 the summer and if you're

 entirely superfluous, seeing
 as how much
 you don't need

He Baby! He friend forever
Shy baby, I can't believe
you're going to Europe. It's so
far away but so romantic.

And if you get all homesick or anything
baby, just look around
and see the wonder of
the world around you
and the charm of the
people and don't be
afraid to hurt a little
and love a little
and be alone a little.
Confusion is not a bad
thing, it's just the midway
to being wise. Sane?

Ah baby, you're going
to be a rich 10 weeks
older when you come home
if you'll let yourself
take it all in. Oh,
baby, I'm so jealous.
And I'm so glad you're
my friend
cause - well,
you know.
Bye for a
while baby.
Au revoir
mon ami.

FALL

During the Fall Semester this year's Senior Class Council, under the direction of Senior Class President, Walter Welton, concentrated mainly on money-making projects. A sucker sale netted the Senior Class over fifty dollars. Later in the semester the Senior Class held a car wash which brought in an additional seventy-five dollars. One of the Senior Council's other activities was decorating the school for Homecoming. During the Fall Semester the Senior Class Council contributed greatly to Wilson activities and left over two-hundred fifty dollars in the Class of 1965 treasury.

CLASS & COUNCIL

SPRING

Paul Wheeler, Spring Semester Senior Class President, immediately initiated money-making projects to supplement the available funds. Again the class held sucker sales and car washes. The money was being raised for a purpose. The Senior Class traditionally donates a gift to the Student Body. This year the Class of 1965 proudly presented the Wilson Student body with a sorely needed gift that cost over three-hundred dollars—a new suit for our mascot, "Woody."

FALL

Ron Featheringill, Fall Semester Junior Class President, headed the class activities this year. The Junior Class decorated the entrances for Homecoming creating a beautiful false ceiling of crepe paper at the main entrance. The class held various money making projects. They were proud to leave over 300 dollars in the treasury for the Spring Semester officers and council to use for the senior prom.

SPRING

During the Spring Semester the Junior Class, under the direction of President Jim Burke, undertook the gargantuan task of putting on the Senior Prom. The Junior Class held money making projects to bolster the treasury. This year's prom was held on June 4th at the Pacific Coast Club. It was a tremendous success.

Spring Officers: Jim Burke, President; Donna Sievers, Secretary; Jim Williamson, Vice-President.

Another gourmet's delight is prepared.

Remember, Robbie,
Life is like a sewer
what you get out of
it depends upon what
you put into it.
I sincerely hope that
we have several classes
together next year.
(That's a rather
true.)

Remember, Robbie (and)
This inscription is taking
longer than I thought. I am
looking forward to your
competition in the
area of speech next
year.

Dear Robbie, It's really been neat this year - much too neat to put down here in words. I hope that Europe is a ball. (As if it wouldn't be!) I envy you horribly - Europe and Tom in one year! How do you do it? I need lessons! I'll see you next year and we'll have more fun & games. When are you going to ask me sailing?

This past year has been very prosperous for Wilson. The students have combined their efforts to accomplish goals which benefit themselves as well as their school. The 1964-65 school year has been a year of progress. Our students have distinguished themselves in academic pursuits, have excelled in athletic endeavors, and, with the help and co-operation of the administration, have molded Wilson life into a great experience for everyone.

I sincerely enjoyed serving as Student Body President. I hope that I made some contribution to Wilson while I served. I wish the best of luck to all future Wilson graduates and hope their stay at our school will be as happy as my three years have been.

As the year draws to a close, I would like to pay a sincere tribute to the students and faculty of Wilson High School who have worked together to make the 1964-65 year outstanding.

Wilson has earned a place among the finest high schools in the land. This year's Student Body has continued to uphold this tradition of outstanding achievement. We should never forget that such achievement results from the teamwork of all students, and not just a few.

It has been an honor and a privilege to serve as your Student Body President, and I wish to extend my sincerest appreciation to all of those in Student Government who worked with me to carry out the year's activities. I also wish to express my thanks to the members of the Student Body who helped to carry on Wilson's high ideals and traditions, and to the faculty who supported us in these endeavors.

The volunteers who drove American Field Service ambulances to the front lines in the First and Second World Wars found that they had a deep understanding and sense of comradeship with the French, the English, and the Belgians amongst whom they worked. After the last war had ended, some of these men founded student scholarships to enable young people to appreciate the life and customs of other peoples throughout the world. This idea grew, under the direction of the late Stephen Galatti, to such an extent that this year the United States is being visited by 2904 students from 59 different countries.

In appreciation, the returning students started an Americans Abroad program. This year more than 800 students are participating from schools all over the United States.

Woodrow Wilson was one of the first schools to participate in both segments of this program, and has hosted more exchange students than any other Long Beach School. Realizing the need for deeper international understanding, Wilson High School has sponsored this year, three student ambassadors.

AMERICAN FIELD SERVICE INTERNATIONAL SCHOLARSHIPS

Dear Bruins,

How quickly this year has passed—it seems such a short while ago that Woodrow Wilson was nothing more than a name on an application form. Now Wilson means much more! It means a spirit and a feeling of great unity on your beautiful campus. It means your high standards, your friendliness, your identification with your school and all that it stands for. I am grateful to have had this opportunity of sharing these attitudes and ideals with you.

Throughout the year, I have been able to see and to understand many aspects of the United States, one of the most important being the educational system. You are the students who will shape the future America, and you are the Student Body about whom many British people will be told at the end of my wonderful year here.

They will be told of the size, of the organization, and of the many activities and clubs you are fortunate in having on campus. These, as were many things, were new and strange to me, yet I have been so very happy here because of your friendly, informal and helpful attitude which everyone has shown me.

For this, and many more memories, I want to say, "Thank you, Bruins."

Jane

Stephanie Kegan at school in the Philippine Islands

I was fortunate to have been selected by the American Field Service to spend the summer of 1964 in the Philippine Islands. It was truly the most wonderful experience of my life. I lived with a family of seven people in the small town of Surigao. Along with my foster sisters, I lived the life of a typical Filipino teenager. The people there were so friendly and hospitable that I felt completely at home. From my experience I learned that people are alike everywhere in the world. I will always be grateful to the American Field Service for affording such a wonderful opportunity to me.

*Robbie: It's been great
having you for a classmate
Good luck in the future
Forever yours,
Robin Warriner*

**WALK TOGETHER - TALK TOGETHER
ALL YE PEOPLES OF THE EARTH:
THEN AND ONLY THEN SHALL YE HAVE PEACE**

After only two weeks in which to prepare, Mary Wiley was flying to Belgium to meet her foster family in Ghent. Mary's adopted family includes father and mother, an older brother, and a sister, Yannick, who was an A.F.S. student in California last year. Mary has visited the Netherlands and the North Sea, where she spent a short holiday. Her Christmas was spent in Paris, and her spring recess was used to visit England with a party from her school.

The school work was intensive. However, Mary soon overcame any language difficulties and was able to study many fascinating sides of Belgian life. The school she attended had 600 girls enrolled. The ages of the students was from 11 years to 18 years. Mary had no choice in her curriculum. She found little or no school activities, so her recreation was provided by her foster family after school hours. One of the things Mary liked was the fencing lessons which she hopes to continue in college here.

Like all American Field Service students, Mary will find her life much richer and filled with a deeper meaning as a result of her experiences.

With the help of an outstanding transfer student, John Keithly, the Bruins completed their 1964 season with flying colors. Beginning with a rather meek appearance in the Milk Bowl, the Bruins went on to set a scoring record in a pre-season game, and finish tied for second in league play. The Bruin's most pleasant surprise was undoubtedly, newcomer, John Keithly, and their biggest hinderance was inexperience. With a team made up of many juniors the Moore League should beware in 1965.

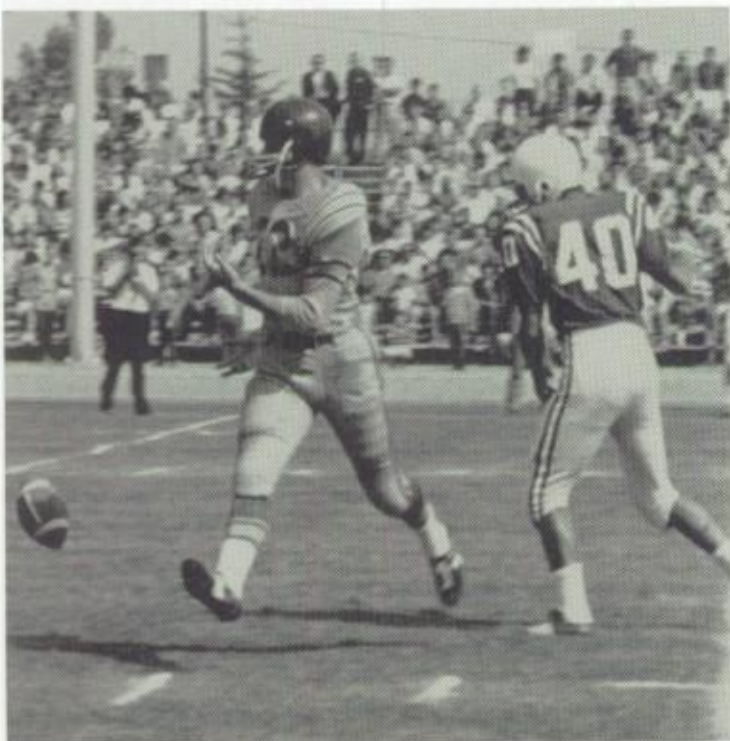

BRUINS SHAKY IN MILK BOWL

The Lakewood defense seems to be having a hard time bringing down Bruin speedster, Bob Deeds.

Tom Kinkade gets a running start before clashing with the opposition.

Big John shows that even the best miss once in a while.

The football season started on Saturday September 26 when an overflow crowd of 18,000 fans turned out for the annual Milk Bowl classic at Veteran's Memorial Stadium. The Bruins began their season by bowing to Lakewood 7-0, in the first twenty minute scrimmage. Inexperience kept the Bruin offense bogged down until the last minutes of play when John Keithly and Tom Kinkade engineered a belated drive only to have time run out.

In the other encounter with Millikan, a Ron Fujikawa to Terry DeKraai pass completion, and some excellent defensive work by Sid Smith and Paul Wheeler highlighted the action. However after the twenty minute period had expired the score still remained what it was when the opening kick-off took place, 0-0.

A RECORD IS BROKEN

Burly fullback, Mike Farrell, nimbly out runs Ventura pursuers.

The Bruins most pleasant surprise, John Keithly starts on one of his many long runs.

Junior quarterback, Tom Kinkade, shows one of his many talents in running around a would be tackler.

In the opening game of the season the Bruins broke a Moore League scoring record by defeating Riverside Poly 59-7. Practically every aspect of scoring potential was put to use in this awesome display.

Tom Kinkade used his passing and running talents to score two touchdowns against Centennial, but the scrappy Apaches fought hard and took advantage of some breaks to gain a well deserved tie.

A big but slow Ventura eleven was held in check by the sturdy Bruin defense. The only score the Cougars were able to muster came as the result of a safety. Meanwhile, the offense was able to penetrate the Ventura defenses for two scores and the Bruins were victorious 13-2.

Bob Deeds is caught red handed attacking an unsuspecting Riverside Poly boy.

Tom Kinkade prepares to pass as John Keithly blocks.

MILLIKAN BOWS

Big John Keithly, an outstanding transfer student from New Mexico, showed that he was taking dead aim on the Wilson rushing records in the league opener against Millikan. During the game Big John accounted for

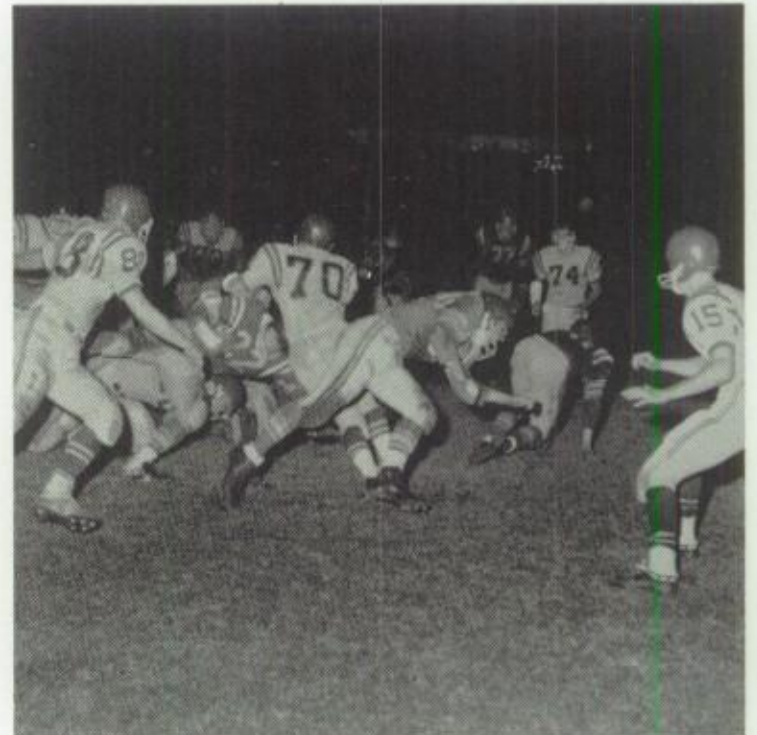

181 yards in 24 carries for a 7.5 average. The Rams came loaded for Bear but were turned away. A fumble on the Bruin two yard line set up the only Ram score of the night as the Bruins won their first league game, 20-7.

The Bruins show their defensive talents in taking this Ram out of the play.

John Keithly shakes off one tackler after another on his way to a long gain.

The Bruins scored twice in the last two minutes to win a 26-7 decision over the Vikings and remain undefeated in league play. Mike Farrell and "Big" John Keithly each scored touchdowns while grinding out 223 yards between them.

John Crabbe clears the way for his teammate.

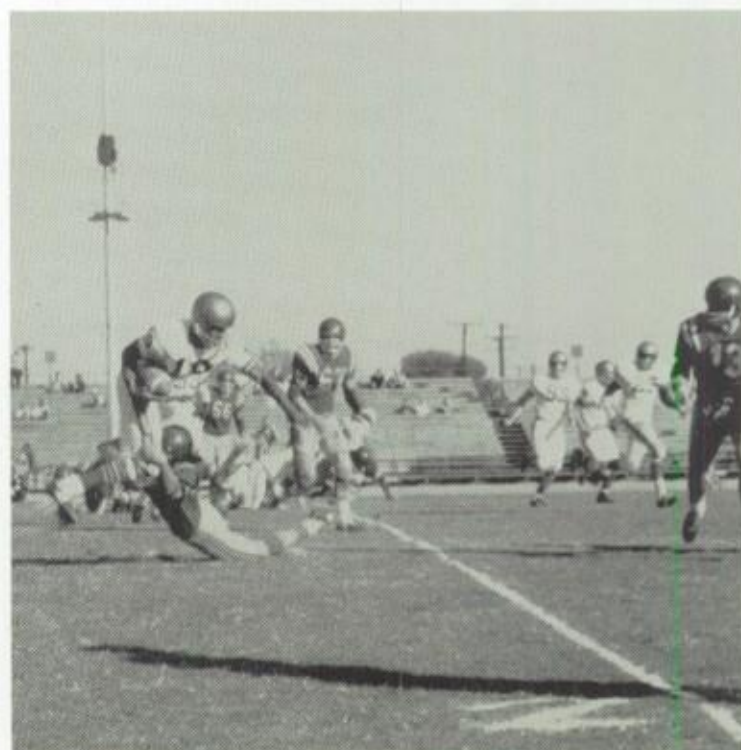

The defense sparkled as they forced Downey to the air 33 times. The last Bruin touchdown was scored by burly tackle Sid Smith, when he intercepted a pass and rambled 25 yards into the end zone.

BRUINS ROMP PAST DOWNEY

OUCH!

Before a crowd of 9000 fans, the Bruins lost their first league game of the season to their cross-town rivals, the Poly High "Rabbits." John Keithly was in his usual powerful form as he scored two touchdowns in leading the Bruin offense. Terry DeKraai, our outstanding junior end, scored the other touchdown on a pass. Rick DuRee added the three extra points on the conversions. The final score was Poly 49 — Wilson 21.

All we can say is . . . Wait till next year!

REPEAT - OUCH!

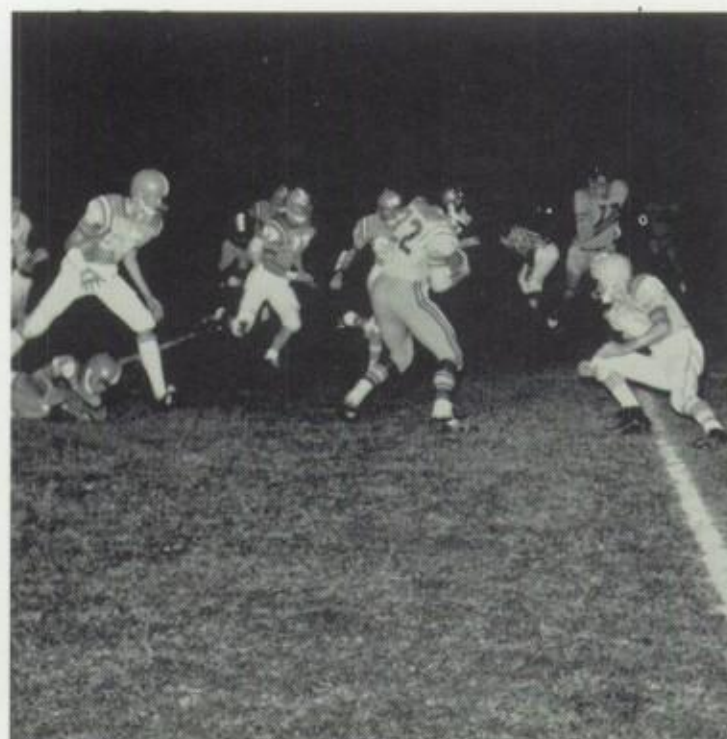

Tom Kinkade nails this Panther but good.

The Bruins suffered their first two loss season as a member of the Moore League when they were upset by the Jordan Panthers at the Jordan Memorial Stadium. The Panthers scored first, and after just two minutes had elapsed, the Bruins had tied the score at 7-7 when Ron Fujikawa plunged over from the one yard line. Jordan came right back, driving the ball to the Bruin one, when the defense stiffened and forced a fumble. The Panthers were not to be denied however. In the third quarter the score was 13-7 Panthers. Late in the fourth quarter the Bruins drove deep into Jordan territory only to have a pass intercepted to end the last Bruin threat. As the final gun went off, the Bruins had lost their second league game, 13-7.

Teamwork—Five Bruins bring down this Panther.

BRUINS SCORE HOMECOMING VICTORY

Bob Deeds rounds left end on the way to a big gain.

Homecoming 1964 started bright and early with the decoration of the campus. The day was highlighted by the return of many alumni, one of whom was the principal speaker at the traditional assembly, Mr. Bob Bailey a former Wilson star now with the Pittsburgh Pirates Baseball Team.

The big event, of course, was the game with the Lakewood Lancers that evening. The Bruins needed this game if they were to finish in 2nd place in the league. After battling on even terms for most of the first half, the Bruins were behind 13-7 when the half ended. Midway through the third quarter Keithly broke loose, and on sheer raw power went into the end zone. Now the score was tied and the pressure was on DuRee, the Bruins outstanding kicker. Calmly, Rick split the uprights and the Bruins had defeated Lakewood again. This win kept the Bruin's record, of never having finished lower than 2nd place in the Moore League, intact.

JV's CHAMPS AGAIN

Successfully defending their league championship, the JV team was once again undefeated. During the season two Bruin records fell as Dennis Dummit established a new record for touch-down passes thrown, and Ron Featheringill established his new record by catching the passes of Dummit. Selected as the outstanding all-around player was Wayne Holland. Roger Schellhous, Doug Raney, John Kahler, and Steve Hardin all turned in an outstanding season.

Coming off a league championship, this year's "B" footballers fell to 3rd place in a year of rebuilding. The team lacked experience in practically every position. Three members of this team were selected to the All-City Team, Bill Gehrke, Jeff Severson, and Chuck Davis. With this year's play behind them, the "B's" should be right in the battle for the league championship again next season.

Spirited action, like this, is typical of all "B" games.

Spirit, hard work, leadership and talent combined to bring Wilson championships in both varsity and junior varsity Cross Country. Dedicated to win for our late manager, Jack Conley, no weather, no physical or mental obstacle could stop the Bruins. It was the second straight junior varsity championship and the first for the varsity since 1956.

The entire team was the winning factor, but individual Moore League Champions, Hartzell Alpizar and co-captain Tom Kara, plus Bruce Traasdahl, Jeff Johnson, and Rick Maroon were outstanding performers.

In the Junior Varsity, Eldon Richey and Dennis Resser took one and two in the league meet to cinch the championship. Frank Michalsen and Mike Hall were also steady runners.

All League—All City

After getting off to a good start by defeating the defending City Champs, Millikan, the varsity water polo team experienced an erratic season — losing to the poorer teams and beating the best teams in the Moore League. Highlights of the season, which finally saw the Bruins end up in third place, were the double overtime wins against Jordan and Millikan.

Outstanding varsity players were team captain Walt Welton (1st team All-City and All-League), Robin Durnin (2nd team All-League and All-City Hon. Mention), Steve Clark and Jim Modine who received honorable mention on both the All-City and All-League teams.

This year the varsity Basketball team underwent many changes . . . a new coach, new uniforms, a new offense and style of play, and many new players. The team compiled a record for the year of 8 wins and 13 losses. Unfortunately most of the losses came during league play. In pre-league, the team led by co-captains John Mastright and Steve Nott compiled one of the best records in many years including a string of 7 straight wins.

Many of the fine players on the team this year were juniors, including Phil Keller, Steve Sagehorn, Rick Hubbell, G. A. Dirk, and Sid Smith. The outlook for next year is the best it has been in many years.

The remainder of the team included Steve Hoover, Paul Hastings, Rod Johnson, John McLain, Marty Allen, Larry Albright, and Paul Orris. Coach Fraser praised the team's excellent spirit and desire. He was most proud of the way the boys hustled and scrapped in every game to provide a team of which Wilson could be justly proud.

John Mastright has his shot blocked on an attempted lay in.

The Baseball Team has its sights set on the league crown this year. As the yearbook goes to press, the team is leading the league having defeated Millikan 6-1, Downey 14-1, and Poly 3-1. The pre-league season was used by Coach Crutchfield to set the team therefore, the 3-2 won-loss record was misleading as to the team's potential. Standouts on the team are the "M and M" boys, Mayfield and Maygren who wield the big stick, while the pitching is handled very well by Coble and Hoops.

J.V. BASEBALL

Jim Cady figures to be a big winner this year.

Only a sophomore, Jim Price, attributes his great power to quick wrists and a keen eye.

The JV Baseball Team at Wilson is represented by an outstanding group of Juniors and Sophomores. Prospects for a championship team are very evident. The record to date is 10 wins and 1 loss. Standout juniors are: Jim Cady and Jim Burke, pitchers; Ron Featheringill and Paul Clifford, outfielders; and Bob Lewis, pitcher-outfielder. Sophomores who show great promise include: Dennis Mayfield, catcher; Jim Price, Rich Knox, and Bob Grich, infielders; and Jim Linberger, outfielder.

Hartzell Alpizar and Bruce Traasdahl are Wilson's premier distance runners.

BRUIN CINDERMEN STRONG IN '65

The '65 edition of the Varsity Track Team is without a doubt our best team since 1957. To date the won-loss record is 4-0. Already five school records have been broken which is no mean feat in view of the fact that Wilson was a major track power for many years.

This year's team finished 4th in a strong field of 23 other high schools in the Southern Counties Track Meet this year. The premier performers in their events are: hurdlers, Fred Nicholl, Doug Willey and Ron Wilder; sprinters, Bob Deeds and Bob Wilson; distance events, Hartzell Alpizar, Bruce Traasdahl and Eldon Richey; 440 race, Steve Sousa; shot put, John Keithly and Steve Nott; and high jumpers Rick Hubbell and G. A. Dirk.

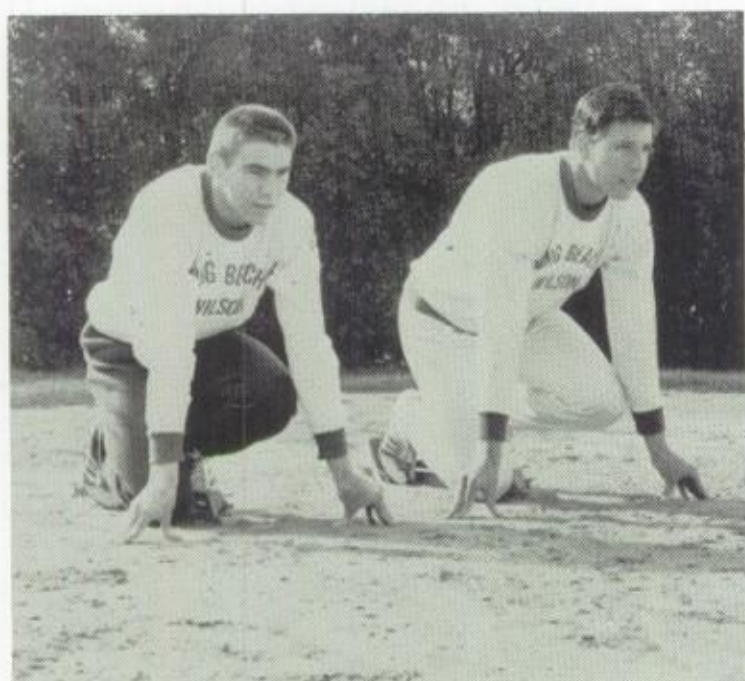

Row 1: Rick Hubbell, Larry Bowerman, Hartzell Alpizar, Tom Rivera, Cor Van Overeem, Steve Ito, Ron Hernandez, Russ Martin, Bill Decker, Greg Miller, Jim Williamson. Row 2: Mike Moreland, Bruce Traasdahl, Jim Beaman, Tom Kara, George Chellette, Steve Sousa, Bob Deeds, Ron Wilder, Chuck Scott, Dennis Campbell, Chris Gibson. Row 3: Steve Neal, Frank Michaelsen, Dennis Reeser, Larry Robinson, G. A. Dirk, Brad Hand, Rick Maroon, John Keithly, Al Roberson, Fred Nicholl, Doug Willey, Bob Wilson, Tom Waffel, Bell Sprague, Coach Mulligan.

Coach Mulligan looks on as his boys go through their paces.

Fred Nichol loses some time in knocking down this low timber.

Possibly the best one-two punch in the city for the quarter mile will be Steve Sousa and John Keithly.

THEY'RE OFF

Hartzell Alpizar, shown finishing far out in front, set a new school record of 4:22 in the mile.

BEE SPIKERS ROMP

Front Row: Chris Desmond, Dave Zantiny, John Campagne, Monte Cochran, Tony Pomella, Tim Sennatt, Rob Schellhous, Mike Hood. Row 2: Roger Schellhous, Pat Sullivan, Steve Kerns, Larry Clapp, Greg Hayden, Don Markham, Dave Bosen, Gerry Desmond, Bill Gehrke, Benny Benavides, Kerry Simmons. Row 3: Coach Mulligan, Steve Honohan, John Lake, Dave Baldwin, Lee Foreman, Kirk Effinger, Dennis Perkins, Boyd Wheeler, John Tucker, Paul Waters, Greg Leef, Johan Van Overeem, mgr.

The "B" cindermen lack over-all team speed. Therefore, the best guess is for a 4th place finish this year. Outstanding members of this team include Greg Leef, a fine hurdler, Boyd Wheeler, pole vault, Dave Baldwin, 660 racer, and Tim Sennatt and John Campagne in the sprints.

The "C" team could finish as high as 1st, certainly, no lower than 3rd in a tough league. Team members who show good ability in their events are high jumper Hurcel Watson, pole vaulter Ray Gould, distance runner Dale Devoriss, hurdler Bill Potter, sprinters Tom Bass and Russ Donati, and long jumper captain John Hornung.

Ralph Fish executes a very difficult move on the bars.

John Woolington doing a one-arm hand stand as a part of his fine free exercise routine.

Bob Goudy winds up an outstanding routine on the "horse."

With many returning veterans from the 1964 Moore League champion gymnastics team, the Bruins look like the team to beat this year. Living up to this forecast was not an easy task, yet all opposition was swept aside as the Bruins successfully defended their crown. Led by seniors, Bruce Neuberger, Richard Waldman, Bob Goudy, John Wollington, Dave Clark, Ralph Fish, Earl McKnight, and captain Ronnie Webb, the team was the 3rd Wilson team to repeat as champions this year.

Steve McGarvey demonstrates a Dislocated Yogi.

It's to bad some of my superior speech giving abilities didn't rub off on you this year. Maybe you would have gotten a halfway decent grade. In the later years of Wilson? If you need a fabulously great speech giver to help you pass again its me

Relay team consisting of Kirt Kimball, Jeff Losch, John Melin and Rob Durnin took first place in the C.I.F.

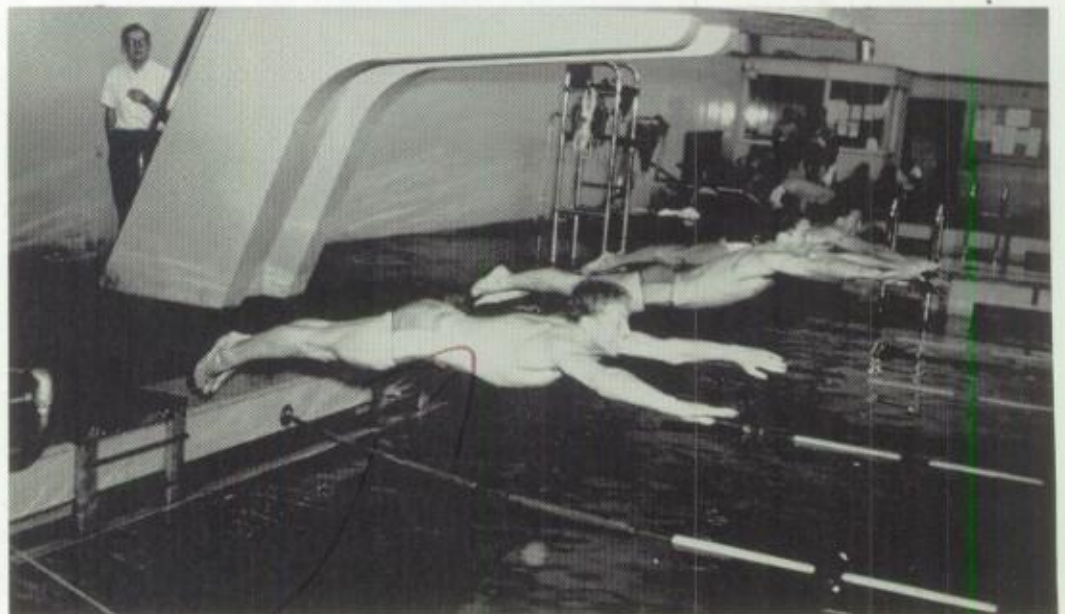

The Bruin Swim Team re-wrote 7 of the 10 varsity school records on the way to their finest season in recent years. This team won the City Championship, and very nearly upset Downey for the league title.

The success of this team was due to hard work, determination, and spirit shown by all members of the squad. Outstanding performers and consistent winners in their events were John Kiddie, John Melin, Jeff Losch, Kirt Kimball, Keith Van Ausdale, John Gorey, Robin Durnin, Jeff Shepard, and Steve Clark.

It's an even start and they're off and swimming.

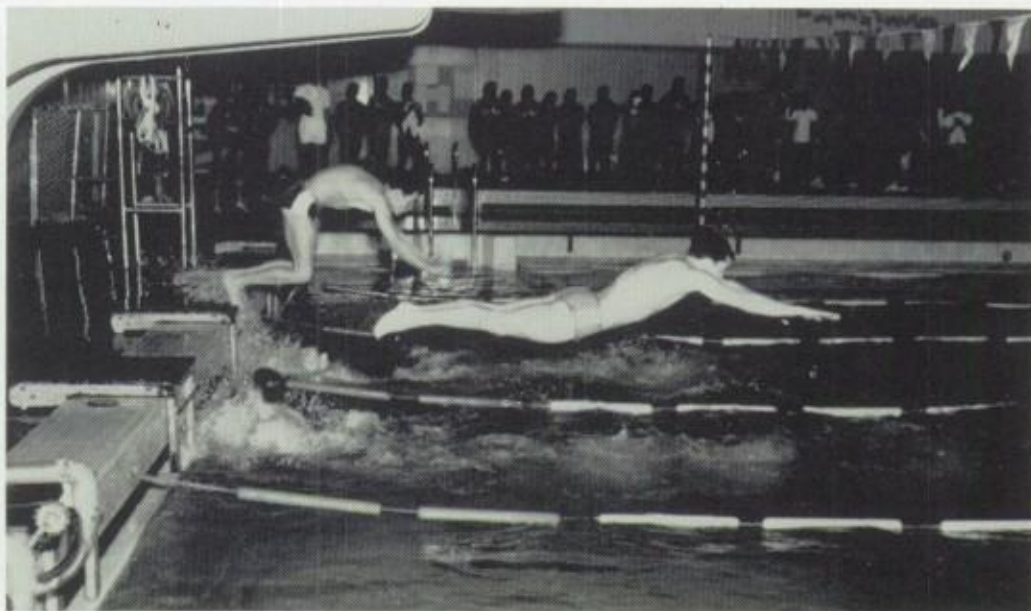

The "B's" placed 3rd in the Moore League with the help of such stalwarts as Walt Melton, Clyde McKerley, Lonnie Valentine, Ross Melin, Rick Horn, and Bob Bonzer.

Rob Durnin figures to be city's top next year.

As usual Wilson's swimmers are out in front. The Bruins had their strongest team in years.

Dear Roberta - Although I promised not to write anything dirty, I thought I'd draw something dirty (see picture). Ha Ha aren't I funny. It's been lots of fun

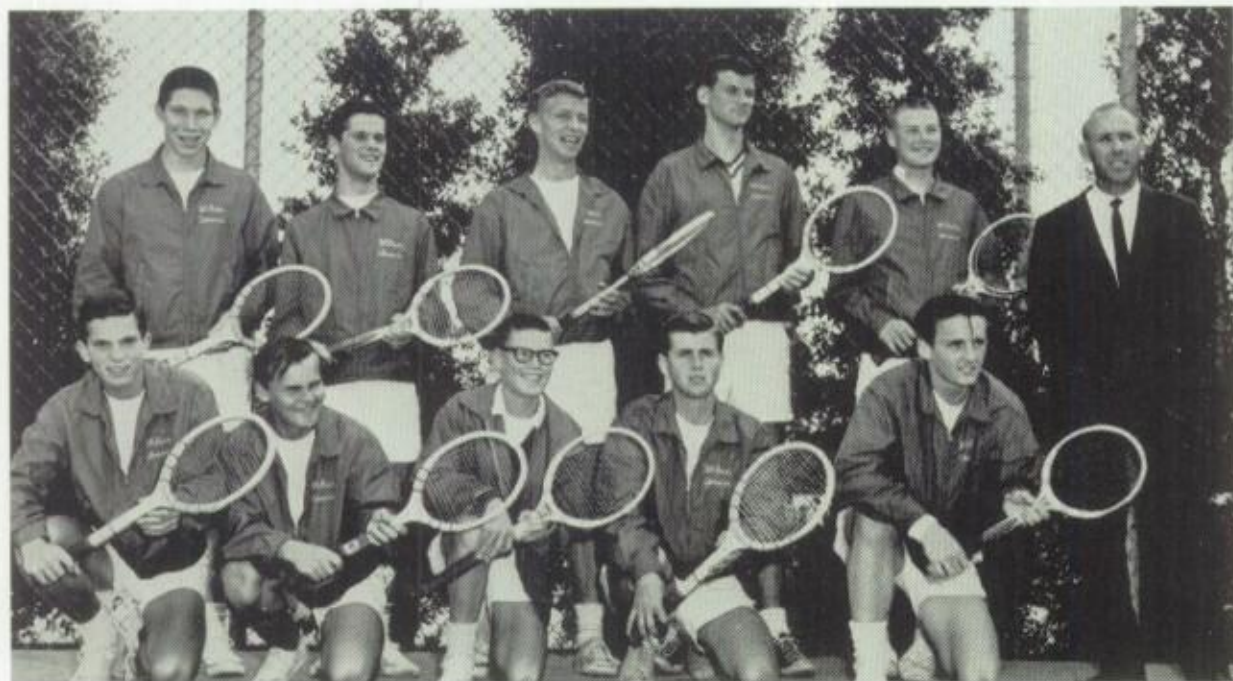

in Chem and Soc. this year, and I hope to see you next year. You'd better watch loose talk because I've got an S. gun (as you've seen.) Tomorrow I'll have some silly stuff. The "C" team also placed 3rd in the league race. Outstanding swimmers on this team were Ed Shaiman, Chris Park, Mike Walley, Chris Shaw, and Bob Kennedy. So you'd better really be careful.

'65 "RACKET" SQUAD FIGURES TO BE CHAMPS

Row 1: Earl O'Neal, Rick Woodland, Joe Chamberlin, Bob Armstrong, Robert Bills, Coach Hendricks.
Row 2: Peter Trafas, Jim Fletcher, Fleming Nielson, Paul Hastings, Tim Chamberlin.

Number one man Tim Chamberlin, rockets one back to a frightened opponent.

Junior, Jim Fletcher gracefully returns a hard serve.

The Varsity Tennis Team is confident of having one of the best seasons ever this year. The squad has three returning lettermen from last year's team, Tim Chamberlain, Rick Woodland, and Jim Fletcher, plus last year's JV champs to draw on to round out the "racket" squad. After losing the first two practice matches, the team began to gain momentum and won the next three matches by landslide scores. As we go to press with the yearbook, the varsity has played three league matches. They romped over Millikan and Poly by identical scores of 24-4, and played a tie with their strongest competitors Downey 14-14.

The junior varsity is also enjoying a winning season. Their record to date is 4 wins against 1 loss. This squad is favored to win the Moore League title again this year.

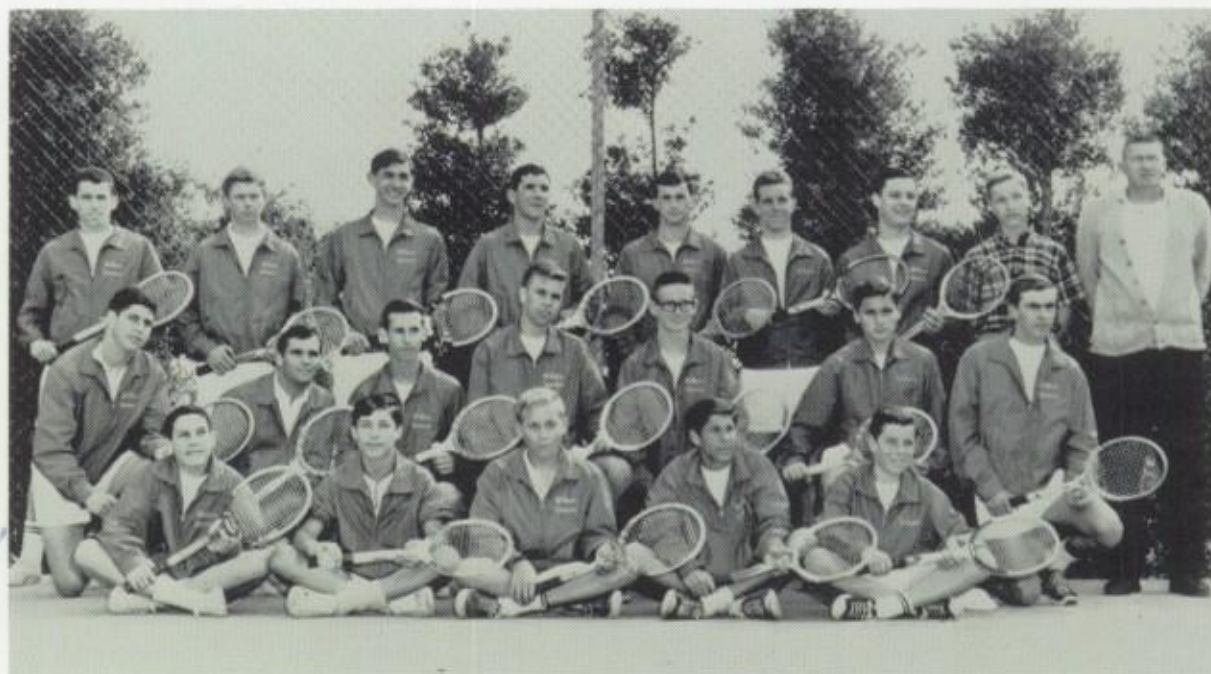

Senior, Bob Armstrong rips one back to his opponent.

GOLFERS SET SIGHTS

Displaying his iron mastery, Fred Good
 slams a one-iron four feet from the flag
 from 225 yards out.

Steve Rohrer about to unload.

After driving the green, Jim Singleton concentrates intently on sinking his
 six-foot eagle putt.

Bruce Dummit exhibits mild disappoint-
 ment when the ball refused to fall into
 the cup.

Charlie Stuart's mechanical, almost flawless swing, rewards him with a fairway-splitting drive of unbelievable distance.

Steve Lockyer demonstrates his delicate touch around the greens, as he neatly chips the ball into the hole.

ON C.I.F. CROWN

Trying to surpass the record of the 1964 golf team which won the Moore League title and were 2nd in CIF team play, is quite a challenge. This year's squad could be even stronger for it has two returning lettermen, Bruce Dummit and John Vestermark plus Fred Good, Jim Singleton, Steve Rohrer, Dick Mitchell, Steve Lockyer, Charles Stuart, and Larry Borges, all returning lettermen up from the championship JV team. Wilson can well be proud of championships made by Bruin golfers over the years.

John Vestermark, known for his reserved attitude and even temperament, keeps a level head after hooking the ball O.B.

Dick Mitchell prepares to rip the cover off the ball. Will it be a hit or a miss?

This year's JV team will add another outstanding record and probable championship to its collection of championships for the past several years. These boys pictured assure the varsity squad several more years of great golfers and more championships.

Backing up the Varsity the J.V. Golf team consists of: Row 1: Rick Rumbaugh, Rob Gallup, Steve Cook, Dennis Dummit, Ron Albright, Brad Frishman. Row 2: Coach Rowland, Vern Brickey, Don Stevenson, Brad Henry, Mike Hitt, Rick Wasserman, Steve Pino.

Robbie -
I'm really
glad I've gotten to
know you. This year
I wish you luck
I love you. I hope
you will. Watch over
me. Hope to see you next
year. Love
Judy Greenwald

Robbie,
I can't
imagine what these past
two years would have been
like if I hadn't known you.
I'll never forget pledging and
hell-night and every thing
that we've been through together.
I have lots of fun this summer.
Like I have to tell you.
Please don't forget it
in the old state. I know
I could never far-
get you. Robbie,
you're really a
wonderful girl
and it's been a
privilege knowing
you. I have always
loved you.

Robbie,
When I first
came to Wilson
I didn't know
anybody and I
was sure glad
to meet you. I
hope that we
can become better
friends this sum-
mer. Maybe we can try to swim
across the bay again when it's
not so windy. Anyway - it sure
has been fun being in your
French class a whole lot and
I hope we might do the same thing
next year. Well, see you this
summer.

Good Luck,

YOU ARE ONE OF THE
MEANEST + NICEST PEOPLE
I HAVE EVER KNOWN OR EVER
WANT TO KNOW. NO, REALLY, IT
HAS REALLY BEEN FUN KNOWING
YOU AND I WANT TO KNOW YOU
BETTER NEXT YEAR

Hello, I have really enjoyed
 knowing you this year.
 You are a real good speaker,
 and it has been fun hearing
 you in Mr. Ciccaro's class.
 Have fun this summer,
 and best of luck next year!
 Jan (Captain Kangaroo)

P.S. (Was that you who knocked on the survey door ever so?)

Doll-face -

This is to be my masterpiece and when I die, you may have it published! I promise not to say anything everyday and expected (save it for next year.)

To be out of the ordinary I'll start by telling you how gorgeous you are. Your baby fine hair frames a sensitive face with a charming nose, generous mouth (I smile) and eyes that laugh. I've grown accustomed to it. (borrowed that, I even like the darling way you shuffle down the halls and your own dance-style)

When you're in Paris this summer, have mercy on les garçons. The rest of this letter will be in français to let you practice up. (Hope you can still read it when you're an old lady!) Serrez bon à Claudia cet été. Elle a besoin de votre aide. Elle est moins "femme fatale" que tu!! J'espère que tu tirais un journal de ton adventures. Ils seraient très intéressant!! Aussi, écrivez à moi!! J'écrirai tous mes chef-d'oeuvres aussi. (heh, heh.)

Nous avons beaucoup de memories que nous avons expérimenté avec "chaque autre". Sous nos conversations, les grands prix, les garçons, les dejeuner, le ΔΣΩ, les garçons, les parties, les classes, les garçons, et beaucoup d'autre choses.

Robbie,
It has been real
sweet knowing you
and this past year
best of luck next year
we'll be always!
